We are happy to invite you to our scientific and educational Launch Event 'AA Signature Skin Quality'.

Let's enter and celebrate a new era in aesthetics together. We're thrilled to officially launch the new AA Signature Skin Quality, showcasing our innovations: **HArmonyCa™ and SKINVIVE™ by Juvéderm®**.

Join us for an exclusive event where you will hear from and interact with an international expert and local KOL's. We'll explore the science behind our products and set a new standard in aesthetic medicine.

Moderator: Miluska Van 't Lam, Editor in Chief of Harper's Bazaar
